CENTRAL REGIONAL ADULT AMATEUR COMPETITION

HOSTED BY SLO-CDS Chapter

Mission:

The mission of these competitions is to provide an opportunity for all CDS Adult Amateur riders to qualify and compete against others of similar skills and experience. The regional nature of these shows will help provide our membership with a developmental path to gain competitive experience, to promote excellence and increase awareness of and support for CDS Chapters.

Goals:

#1 – For the Chapters: These regional level adult amateur competitions are designed to promote and enhance awareness and participation by the CDS Chapters, provide State level support in funding and advertisement, and a chance to generate funds at the chapter level.

#2– For the Riders: These competitions will provide a positive introductory show experience for some, which will hopefully be a stepping stone to bigger things, while offering the other more experienced amateur riders an additional competitive experience.

#3 – For the whole organization, these competitions are designed to bridge the gap between the local Chapter shows with the individual year end awards programs and the tremendously difficult, top caliber competition at the Annual CDS Championship Show.

I also agree to be responsible for any injury or damage caused by me, my horse, my employees or contractors under my direction and control at any USEF Event.

D. WAIVER AND RELEASE OF LIABILITY, HOLD HARMLESS AND INDEMNITY: In conjunction with my participation in any USEF Event, I hereby release, waive and covenant not to sue, and further agree to indemnify, defend and hold harmless the following parties: USEF, USEF Recognized Affiliate Associations, the United States Olympic & Paralympic Committee (USOPC), USEF clubs, members, Event participants (including athletes/riders, coaches, trainers, judges/officials, and other personnel), the Event owner, licensee, and competition managers; the promoters, sponsors, or advertisers of any USEF Event; any charity or other beneficiary which may benefit from the USEF Event; the owners, managers, or lessors of any facilities or premises where a USEF Event may be held; and all directors, officers, employees, agents, contractors, and volunteers of any of the aforementioned parties (**Individually and Collectively, the "Released Parties" or "Event Organizers"**), with respect to any liability, claim(s), demand(s) of action, damage(s), loss, or expense (including court costs and reasonable attorney fees) of any kind or nature ("**Liability**") which may arise out of, result from, or relate in any way to my participation in the USEF Events, including claims for Liability caused in whole or in part by the negligent acts or omissions of the Released Parties.

E. COMPLETE AGREEMENT AND SEVERABILITY CLAUSE: This Agreement represents the complete understanding between the parties regarding these issues and no oral representations, statements or inducements have been made apart from this Agreement. If any provision of this Agreement is held to be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from this Agreement and shall not affect the validity and enforceability of any remaining provisions.

COVID-19 PROTOCOLS AND PRACTICES

For this show, we will be observing the following practices and expect competitors to comply with all signage and published information. Updates and additions per state, local and Federation guidelines may be added at any time and will be distributed electronically to all competitors. It is your responsibility to disseminate the information to everyone in your group.

Temperatures: Everyone on the grounds is required to self-monitor their temperature. 99.5 F (37.5 C) or below. DO NOT COME TO THE SHOW GROUNDS IF YOUR TEMPERATURE IS ABOVE 99.5 F (37.5C)

Entering the showgrounds: Everyone is required to immediately check-in at the Temperature Check-in Station outside the show office. Each day it will be the responsibility of all participants to have their temperature checked, whereupon a new wrist band will be supplied.

Unloading and Loading: After temperature check-in horse trailers will be directed to their stalls or day haul-in area. All horses and equipment must be unloaded promptly, and the trailers and vehicles moved to the designated parking area. Maintaining social distancing always.

Face Masks: Face coverings are required to be worn, always, when not mounted, and everyone is expected to bring their own. A participant may choose to wear a facemask or face covering when mounted on a horse and cannot be disqualified or penalized for doing so while competing.

Social Distancing: A minimum, of six feet is the separation required. Groups who travel together may work out their own distancing, but face masks must be still be worn.

Hand Washing: Must be done often in addition to the use of sanitizers.

Show Office: We plan to conduct as much office business as possible by text, email, and phone ONLY. Access to the show office will be very limited. If a problem is deemed to be too complicated, the show manager will make office appointment arrangements with you. Social distancing protocol will be strictly adhered to. Packet distribution information will be emailed with times.

Warm-up: A warm-up attendant will be available to supervise warm-up areas beginning Friday after 12:00 noon. You are responsible to register your warm-up time with the attendant. The attendant will keep a schedule of horses and times they are planning to use the arena(s). On show days, do not expect to enter any warm-up arena more than one hour prior to your designated time. Any equipment, attire, grooming, training items left unattended in any "common" area within the showgrounds will be removed.

Limited Attendance: Only trainers, coaches, riders, and grooms will be allowed on the grounds. If a rider is a minor, a parent will also be allowed. Everyone must be recorded with the office, and must sign releases and wear a wrist band and face mask at all times. **No exceptions!**

RELEASES WILL BE SENT OUT TO RIDERS BEFORE THE SHOW. MAKE SURE YOUR ADDITIONAL SUPPORT STAFF HAVE SIGNED A RELEASE. RELEASES MUST BE TURNED INTO THE SHOW OFFICE AT CHECK-IN OR EMAILD TO ELLEN COROB (Show Manager) PRIOR TO THE SHOW.

Hospitality: At this time, only bottled water will be available outside the show office.

Spectators: No spectators will be allowed. (See Limited Attendance and Hospitality above)

Awards: We are planning to distribute tests and awards outside the show office. Competitors are to observe social distancing when picking up ribbons and/or prizes. Classes, times and results will be on www.foxvillage.com, and updated as scores are imputed. It is HIGHLY recommended that exhibitors access their scores electronically if possible. Scores will be posted but again, competitors are to observe social distancing when viewing.

We are in this together and want to keep everyone safe and healthy!

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the USDF Member Guide or the USDF website at www.usdf.org.

This
competition
is recognized
by USDF
for 2020

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 3-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

How to Join USDF

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

- On the USDF website: www.usdf.org. You can submit the application online or download the form and fax or mail it to the USDF office.

- By calling or writing the USDF office at (859) 971-2277, 4051 Iron Works Parkway, Lexington, KY 40511.

The effective date of membership is the date the form and correct fees are received in the USDF office or, if applying at a competition, the date accepted by the competition secretary, provided the application is signed and dated by the competition secretary, member, and/or horse owner on that same day.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, is a premium on good care and soundness throughout the horse's life.

When applied to the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and needs to the horse which in its wild state is a creature of flight, living in the wild and preying existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and debilitating parasites, thus leading to a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted and humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

DRESSAGE CHAPTER SPONSORSHIP

What is "Dressage?"

Dressage is a French word that when translated, literally means "training," and derives its roots from Ancient Greece. It is a system for training horses and riders alike, to use the natural gaits of the horse – the walk, trot and canter – and the natural aids of the rider – the hands, legs, core and seat – to guide and control the horse. Dressage builds flexibility, obedience and gymnastic ability for both the horse and rider.

All of dressage is built on basics. Each level and each test within the level places more difficult and complex demands on the horse, but always within the framework of the basic gaits and in movements natural to the horse when at liberty.

The rider communicates his desire to the horse through the use of "aids." The rider will use the seat, legs, core, arms, back and body weight along with a clear cue to the horse to achieve the desired outcome. The more accomplished the rider is, the more the rider can communicate with the horse in complete rhythm and harmony to the point that the aids used almost become invisible.

Who is "SLO-CDS?"

The San Luis Obispo Chapter of the California Dressage Society began in 1976 with about 15 charter members, several of whom are still members today. At present, our chapter has over 130 members. The California Dressage Society was founded in 1967 with only 20 members and today claims over 6,000 in 36 chapters around the state. The local chapter typically hosts several shows and educational forums each year. Our chapter meetings are held every other month and alternate between the north part of the chapter and the south. Each show involves the donated time of dozens of volunteers who work in various capacities to keep the shows moving. Many of these volunteers are local area horse people who just enjoy watching the horses working these intricate patterns.

2020 Great American Insurance Group/USDF Regional Dressage Championships

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and recognized by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year. The Regional Championship Program Rules can be found on the USDF website at www.usdf.org. Please refer to the 2020 USDF Member Guide for the comprehensive list of rules and requirements for this program.

Membership/Registration Requirements for Qualifying and Championships

All memberships and registrations/recordings must be correct and current at the time qualifying scores are earned and at the time of the championships.

Rider:

- Must have a USDF Participating* Membership (PM).
- Must have a USEF membership (Junior Active, Senior Active, or Life).

Horse:

- Must have a USDF Lifetime Horse Registration (LHR).
- Must have a USEF (Annual or Lifetime) Horse recording.
- USDF horse registration and USEF horse recording must be in the name(s) of the current owner(s) or lessee(s) of record. A horse is not required to have breed registry papers.

Owner:

- Must have a USDF Participating or Business Membership and a USEF membership (Junior Active, Senior Active, Life, or Recorded Farm (with Active Farm Owner)). If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership and must be the owner of record with USEF and USDF. For a business or farm to be the valid owner under this requirement, it must be listed as an owner of the horse with both USEF and USDF.

* PMs are USDF members who join USDF directly. USDF Group Members (GM) are ineligible.

Minimum Qualifying Scores: One set of nationally-standardized qualifying scores has been established for all USDF/USDF Regional Championships, for Training Level through Grand Prix, in three divisions: open, adult amateur and junior/young rider. FEI Junior and FEI Young Rider classes have only one respective division. Freestyles have only open divisions.
